

## Directions to Bethany Via the Beach

This is a nice route and the uphill walk is not so steep - approximately 20-30 minutes.

As you leave the ferry pier, you will see these two shops.

Turn right for just a few metres, past the Circle-K shop and then turn left.

Go straight through the square. Park'n'Shop on your right. You'll pass a B&B and Eggenberg restaurant on left, coming to the beach seafront.

At the seafront, turn right. (If you have a mobile phone, please call us when you get to the beach, on (+852) 2981 7114 or SMS to (+852) 9059 1012 so we know you are on your way!)

Along the seafront, you will pass the Warwick Hotel on your right and the helicopter pad on your left before the next small beach (Kwun Yam Wan beach).

After the beach changing area, the path turns right up the slope. (signpost: Fa Peng Road).

From here, there are signs to Bethany, except at this junction where you head right and uphill. At the top of the next slope turn left.

It's a steep final climb but keep heading up, and follow the signs to Bethany Lodge.

Well done! It's time you had a rest!
